

LOST AND FOUND

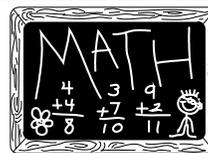

Cold weather is here! If your child is missing coats, hats, and gloves please feel free to sign in at the office and check our school lost and found located in the cafeteria. It would be best if your student's coats, etc. were labeled with their names. We try to give the students outside recess if at all possible. Please be sure your child is properly dressed for colder temperatures.

January Calendar of Events

- 17—Board Meeting @ 6pm in the Board Room
- 21—MLK Day; no school
- 29—SIP Day; 11:50am dismissal

A hoodie is not an adequate substitute for a coat on days where the wind chill is 30 degrees or colder. Your child will not be permitted to enjoy an outside recess if they have on only a hoodie on days when the wind chill is 30 degrees or colder.

St. Jude Math-A-Thon

Your child has received information about participating in the St. Jude Math-A-Thon. The money your student raises for the Math-A-Thon will benefit the many children in need and receiving care through St. Jude Children's Research Hospital. Thank you for your help with this worthwhile project.

Sick children belong at home, well children belong in school.

Please do not send your child to school if they have a fever over 100 degrees - they may return to school when they are free of fever for a full 24 hours and have not been given any medication in that same time frame to reduce the fever. Please do not send your child to school if they have had vomiting or diarrhea. Your child should be able to tolerate regular foods for 24 hours and have regular bowel habits before returning to the classroom after any episodes of diarrhea or vomiting

We understand that your child may be disappointed at missing school activities but in the interest of preventing the spread of illness, please keep your child at home if they are sick.
