Dear Roxana High School Parents,

I hope this letter finds you well, enjoying your summer. We are looking forward to our students return as final preparations are made for the start of the 2016-17 school year at RHS. I wanted to thank everyone for going through our required registration process both online and in-house earlier this summer. Your time and commitment are greatly appreciated.

In effort to better serve our families and to efficiently distribute our student laptops, the Acceptable Use Policy, Frequently Asked Question sheet, and the Technology Contract/Damage Waiver have been enclosed replacing the need for an on campus meeting that was required in the past. Please review and complete the information provided by our Instructional Technology Department in order to better serve your child's technology needs.

The following is a list of upcoming events as we kickoff the 2016-17 school year:
